

Welcome to Tot Spot At the Ithaca Youth Bureau!

For Everyone's Fun & Safety, Please Follow These GUIDELINES:

1. **THIS SEASON** - Tot Spot is now open to children ages 1 to 5 years. Mask wearing is optional, but encouraged.
2. **THIS SEASON** - Our capacity has increased to 50-60 people, 24 children maximum with 1-2 caregivers. We are continuing to encourage families to pre-register for a time block. Any remaining openings will be sold by drop-in on a first-come, first-served basis. (Note: 1 parent may bring multiple kids aged 1-5 by registering each.)
3. Please remember to sign in when you pay. Name tags are provided for both parent and child.
4. Parent or caregiver must remain with child at all times.
5. Help your child explore the designated areas appropriately: Play food in kitchen areas, puzzles pieces on the puzzle mat, trains on the train mat, etc.
6. To minimize accidental injuries, please do not play basketball on the higher nets.
7. Small chairs and seesaw are for children's use only. Please do not sit on them.
8. Snacks: Eating and drinking is permitted in the Atrium ONLY. Please label your child's cup and clean up all crumbs and spills. No food or drink in the play area.
9. **DIAPER CHANGES IN BATHROOM AREA ONLY.** Changing table is provided. (Please, remember hand washing to prevent spread of germs.)
10. **SICK POLICY:** If your baby/child has a temperature of over 100 degrees, a yellow or green runny nose, or has vomited or had diarrhea in the past 24 hours, and/or you wouldn't like a child in that condition to be playing with your child, please skip TOT SPOT for that day. (With a minimum of 1 hour notice, we may be able to credit your account if you preregistered and we are able to resell your spot.)
11. Repeated hitting, biting, or screaming will not be tolerated. TOT SPOT reserves the right to ask parent(s) and child(ren) to leave if their behavior is inappropriate.

We'd like your feedback!
